**What is a media type?** [www.redrivercatalog.com/mediatype](http://www.redrivercatalog.com/mediatype)

**COLOR MANAGEMENT**

Red River Paper offers free printer color profiles for our products and many printers. Profiles are small data files, used by applications like Photoshop, that help you get better and more consistent print quality.

**Do I have to use profiles for good results?**

No – They are helpful in many respects but are not required.
