HP

This product is not approved for HP desktop printers

Wide Format – Satin or Gloss Canvas

What is a media type? www.redrivercatalog.com/mediatype

COLOR MANAGEMENT

Red River Paper offers free printer color profiles for our products and many printers. Profiles are small data files, used by applications like Photoshop, that help you get better and more consistent print quality.

Do I have to use profiles for good results?

No – They are helpful in many respects but are not required.

Profiles and support: <https://www.redriverpaper.com/profiles>
