

## Profile Usage Instructions

For information on how to use color profiles, read Red River's "Color Profile Usage" and Epson's "How to use ICC profiles". These are available for download at [www.redriverpaper.com/profiles](http://www.redriverpaper.com/profiles)

When you install the profile, it will show up in Photoshop's profile menu as:

### RR Denali SemiGloss Ep3800.icc

Below are the required printer driver settings for this profile. You must make sure all of the settings are correct to achieve optimum print quality.
