

For information on how to use color profiles, read Red River's "Color Profile Usage" and Epson's "How to use ICC profiles". These are available for download at [www.redriverpaper.com/profiles](http://www.redriverpaper.com/profiles)

When you install the profile, it will show up in Photoshop's profile menu as:  
**RR Arc Pol Satin Ep4000.icc**

Below are the required printer driver settings for this profile. You must make sure all of the settings are correct to achieve optimum print quality.

<b>Parameter</b>	<b>Required Setting</b>
